COSTIVENESS

affects seriously all the digestive and assimilative organs, including the Kidneys. When these organs are so affected, they fail to extract from the blood the uric acid, which, carried through the circulation, causes Rheumatism and Neuralgia. The functions of the Liver are also affected by costiveness, causing

Bilious Disorders.

Among the warning symptoms of Biliousness are Nausea, Dizziness, Headache, Weakness, Fever, Dimness of Vision, Yellowness of Skin, Pains in the Side, Back and Shoulders, Full Mouth, Puffing Tongue, Irregularity in the action of the Bowels, Vomiting, etc. The Stomach suffers when the bowels are constipated, and Indigestion or

Dyspepsia,

follows. Fetid Breath, Gastric Pains, Headache, Acidity of the Stomach, Waterbrash, Nervousness, and Depression are all evidences of the presence of this distressing malady. A Sure Relief for these troubles of the Stomach and all consequent diseases, will be found in the use of

AYER'S PILLS.

They stimulate the stomach, free the bowels, healthfully invigorate the liver and kidneys, and by their cleansing, healing and tonic properties, strengthen and purify the whole system, and restore it to a salutary and normal condition.
